

MUSIC

We are thrilled to offer a variety of live music over the course of the weekend. Ranging from calm, acoustic to lively dance music and everything in between. You will have ample opportunity to move your body in a way that feels like light to your soul. Music will be offered during your Friday night market, Saturday dinner and Saturday evening until 10pm. We will also have acoustic offerings throughout the weekend deep in the forests of Grow Wild. Although there will be music to be enjoyed, there will also be spaces dedicated to silence (if that's more the energy you are seeking).
